Partner with your Student Daily

Use these questions to guide conversations about the school day:

- What class are you most successful in?
- What class are you struggling in?
- What did you learn today?
- What do you think would help you be more successful in school?
- What important tests/events/extracurriculars are happening this week/month?
- What friends/people are supporting you?
- What friends did you get to see today?
- What are your goals right now?
- Is there anything I can help you with in your schoolwork?
